

## Shine On

Kaskade

When I'm falling, will you be there for me?  
When I'm in water, you are the air that I breathe, oh

Shine on, shine on  
Shine your light on, light  
Shine your light on me  
Everywhere I go, you'll be shining down on me

Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining down on me

Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining

When I'm falling, will you be there for me?  
When I'm in water, you are the air that I breathe, oh

Shine on, shine on  
Shine your light on, light  
Shine your light on me  
Everywhere I go, you'll be shining down on me

Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining down on me

Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining down on me  
Everywhere I go, you'll be shining
