

Sleigh Ride

Kaskade

Just hear those sleigh bells jingling
Ring ting tingling too
Ring-a-ling-a-ling, a-ding-dong-ding
Come on, it's lovely weather
For a sleigh ride together with you
Ring-a-ling-a-ling, a-ding-ding
Outside the snow is falling
And friends are a-calling, "Yoo hoo"
Ring-a-ling-a-ling, a-ding-dong-ding
Come on, it's lovely weather
For a sleigh ride together with you
Ring-a-ling-a-ling, a-ding-ding

Our cheeks are nice and rosy
And comfy and cozy are we
We're snuggled up together
Like two birds of a feather would be
Let's take that road before us
And sing a chorus or two
Come on, it's lovely weather
For a sleigh ride together with you

Ring-a-ling-a-ling, a-ding-dong-ding
Ring-a-ling-a-ling, a-ding-ding
Ring-a-ling-a-ling, a-ding-dong-ding
Ring-a-ling-a-ling, a-ding-ding

Just hear those sleigh bells jingling
Ring ting tingling too
Ring-a-ling-a-ling, a-ding-dong-ding
Come on, it's lovely weather
For a sleigh ride together with you
Ring-a-ling-a-ling, a-ding-ding
Outside the snow is falling
And friends are a-calling, "Yoo hoo"
Ring-a-ling-a-ling, a-ding-dong-ding
Come on, it's lovely weather
For a sleigh ride together with you
Ring-a-ling-a-ling, a-ding
