

Still Waiting

Kaskade

This is me waiting
Feels like I'm fading
Why are you taking your time?
I'm just saying

What do you want to do?
Baby, I want you here with me
Why you gotta take so long?
Do I need to still be strong?
Why don't you just tell me what's wrong?

And I'm still waiting
So close I can taste it
Gave everything that I am
Now I'm wasting away

What do you want to do?
Baby, I want you here with me
Why you gotta take so long?
Do I need to still be strong?
Why don't you just tell me what's wrong?

What do you want to do?
Baby, I want you here with me
Why you gotta take so long?
Do I need to still be strong?
Why don't you just tell me what's wrong?
