

This Christmas Night

Kaskade

Every night in winter
Cold as a night before
Every star, every star that shining
It points in North
But you, you are my lullaby
A song I follow on this Christmas night

Will you remember this Christmas night?
Will you remember this Christmas night?
Will you remember this Christmas night?

As the snow is falling
As we melt and fold
If we can [?], we can keep it
[?] we go for you
I've been left on sun
You will always, always be a...

Will you remember this Christmas night?
Will you remember this Christmas night?
Will you remember this Christmas night?

This Christmas night
