Suntan, new men, hot mess, I couldn't care less
(Breathe in, breathe out) I couldn't care less
(Breathe in, breathe out) Couldn't care less
(Breathe in, breathe out) Couldn't care less

I won't forget, can't forget, can't forget, can't forget

I won't forget

There was a time when our were wanting me
There was a time feel like eternity

There was a time when our were wanting me
There was a time feel like eternity

Com'on baby take a beat, forget about me
Lose your mind move your feet use your body make it weak
Com'on baby take a beat, forget about me
Lose your mind move your feet use your body make it weak

Com'on baby take a beat, you got me
Lose your mind move your feet use your body make it weak
Com'on baby take a beat, you got me
Lose your mind move your feet use your body make it weak

I won't forget, can't forget, can't forget, can't forget

I won't forget

There was a time when our were wanting me
There was a time feel like eternity

There was a time when our were wanting me, use your body make it weak
There was a time feel like eternity
