

Where Is This Going

Kaskade

Okay, so...
Been playing around the beat
Just listening, uhm... Kind of just still singing gibberish over it
Wanna make sure I have the timing right that you're talking about
Also, just, I'm not sure if I'm supposed to be singing through the whole song, uhm...
Anyway, I'm just kinda doing the melody that you were doing in the voicemail you sent, so, uhm... I have the... Track coming through my headphones, so here's me singing over it
Okay, kinda like that... Still

I don't want to know
Why you had to call
I don't want to know
Where is this going

Okay, that's kinda just what we have so far

I don't want to know
Why you had to call
I don't want to know
Where is this going
