

Words & Melody

Kaskade

I wanted to bring it back
To just words and to melody
But I still need to pay the bills
So I want you to want what I give

I'm not going to lie to you
I've not always been true
But I'm hoping you'll find the good
'Cause I'm letting go of the green
I want you to know what I mean

As I ready to board the plane
Forget where I'm going
Could you just try with me?
Wanting to be who we are
We might be going far
Waiting for this flight
I'm sure we won't get sleep tonight
