

Hover Car

Kassidy

I'll be driving in my hover car,
I'll be driving in my hover car.
I'm going places I've never been,
Lost myself in a time machine,
Oh, can't stop don't plan between,
Imagination and make believe,

And I know, we don't know, which way the future goes,
But there's one thing that I know, for sure,
I'll be driving in my hover car,
I'll be driving in my hover car,
What does the future hold for me?
Will it be like on the movie scenes?
Future places we all have them,
Filled with the things that we just just don't need,

And I know, we don't know, which way the future goes,
But there's one thing that I know for sure,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car.

~

I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car,
I'll be driving in my hover car.
