

# I Don't Know

Kassidy

Just around for winter and not for me, I don't know,

There's not a lot for me to see, I don't know,

She's gonna get me soon man,

I hope I get her too but I don't know, who knows?

I'm just around for summer, that's not today, I don't know,

My doctor said are you're troubled and then I'd say I don't know,

She's gonna get me soon man

I hope I get her too but I don't know, who knows,

who knows, who knows, who knows?

Is it wrong, is it wrong, is it wrong, is it wrong to say I don't really like you?

Do you think, do you think, do you think, do you think that I'll still be strong without you?

And I know, and I know, and I know, and I know that I'm still gotta think about you,

Yes I need some time to say that I'll be fine without you.

I'm just a clown for happiness, underpaid, I don't know,

There's not a lot for me to say, I don't know,

She's gonna get me soon man

I hope I get her too but I don't know, who knows?

who knows, who knows, who knows?

Is it wrong, is it wrong, is it wrong, is it wrong to say I don't really like you?

Do you think, do you think, do you think, do you think that I'll still be strong without you?

And I know, and I know, and I know, and I know that I'm still gotta think about you,

Yes I need some time to say that I'll be fine without you.

Oh without you.

Whoa, I don't really like you,

Do you think, I'll still be strong without you,

And I know, still gotta think about you,

Yes I need some time to say that I'll be fine without you.

Is it wrong, is it wrong, is it wrong, is it wrong to say I don't really like you?

Do you think, do you think, do you think, do you think that I'll still be strong without you?

And I know, and I know, and I know, and I know that I'm still gotta think about you,

Yes I need some time to say that I'll be fine without you.

Oh without you,

Oh without you,

Yes I need some time to say that I'll be fine without you.
