雨 雨
雨 雨 雨

雨 雨 雨 雨
雨 雨 雨
雨 雨 雨

It seems like it is raining
My heart is pounding
Tock tock, Hide it in the rain
I want to say I like you

Without any reason or moment
I just got to like it that much

Today
It's raining like this again
I'm sad so I can't even tell you
The rain kept falling down
I miss you like crazy
You're not gonna be able to talk

Don't answer that
It's just how I feel
Even a little bit for you
I don't want to put any pressure on you

Today
It's raining like this again
I'm sad so I can't even tell you
The rain kept falling down
I miss you like crazy
This is so painful
Why don't you know?

Someday my heart will stop
When I'm done crying
It's still raining
