

Friday Night Majic

Kat Dahlia

What you say
What you say baby
I got that thing that make 'em all go crazy
Go all day
Go all day baby
I'll serve you, turn you out as if you paid me

Baby I'm just keeping it simple ooohhh
Studying you, making me mental ooohhh
Take my time on you
Wouldn't that be cool
Cause you're the one I wanna get into

Take a chance
Take a chance
It's a toss up but the dice still rolling
Take a chance
Take a chance on me
I'm at the table babe and I ain't folding

Baby I'm just keeping it simple ooohhh
Studying you, making me mental ooohhh
Take my time on you
Wouldn't that be cool
Cause you're the one I wanna get into

I'm giving it up
Giving it up
Giving it up, babe
Put it all on my body
In it like it's ya party
I'm giving it up
Giving it up
Giving it up babe
Put it all on my body
In it like it's ya party

What you say
What you say baby
I got that thing that make 'em all go crazy
Go all day
Go all day baby
I'll serve you, turn you out as if you paid me

Baby I'm just keeping it simple, ooohhhh
Studying you, making me mental, ooohhh
Take my time on you
Wouldn't that be cool
Cause you're the one I wanna get into

Give you all my time
I got that bad shit that's good for ya
You know you wanna try
I got that magic that'll keep you up
Give you all my time
I got that bad shit that's good for ya
You know you wanna try

I got that magic, that magic

I'm giving it up
Giving it up
Giving it up babe
Put it all on my body
In it like it's ya party
I'm giving it up
Giving it up
Giving it up babe
Put it all on my body
In it like it's ya party

What you say
What you say baby
I got that thing that make 'em all go crazy
