

Mojada

Kat Dahlia

Si me quieres
Espero que te quedas
Olor a calor
Amor en verano

Cuando me beses
Que no haya gente
Olor a calor
Amor en verano

Straight to paradise
Palm trees kiss the sky
Wish you could read my mind
Don't run away
We don't need space
I know all your lines
Your delicate design
There's no need to hide
Don't hesitate
Tell me you'll stay
Don't keep me waiting

Cause I'm
Mojada
Arena en la cama
Abre la ventana
I'll take you there
I'll take you there
Back up on ya
Keep you for the summer
Sweatin' in the covers
I'll take you there
I'll take you there
...

And you wont say that you been lonely
But your eyes tell a different story

Say you got a flight home in the morning
You already know it'll be pourin'
So why don't you stay with me
And we'll go

Straight to paradise
Palm trees kiss the sky
Wish you could read my mind
Don't run away
We don't need space
I know all your lines
Your delicate design
There's no need to hide
Don't hesitate
Tell me you'll stay
Don't keep me waiting

Cause I'm
Mojada

Arena en la cama
Abre la ventana
I'll take you there
I'll take you there
Back up on ya
Keep you for the summer
Sweatin' under covers
I'll take you there
I'll take you there
...
