

Little girl, big attitude
Please, don't test me, I'm not in the mood
Said I hurt your feelings, I said "Oops"
I get to the bag and then I oop

I want the money, yo no quiero besos
When you cut the check, pay me in pesos
Todo lo que tengo, plata y oro
Dime algo y mira si lloro

Boy, you want my number? I say no, I say no
If it's not about dinero I say no, I say no
They all saying I'm a winner
Yeah, I know, yeah, I know
Siempre estoy en fuego, always, so fire

Pretty girl, big attitude
Please, don't test me, I can switch a mood
Said I hurt your feelings, I said "Oops"
Bag on bag on bag, money on loop

I want the money, yo no quiero besos
Lo quiero todo en cash o manda el Venmo
Todo lo que tengo, plata y oro
Dime algo y mira si lloro

Boy, you want my number?
I say no, I say no
If it's not about dinero
I say no, I say no
They all saying I'm a winner
Yeah, I know, yeah, I know
Siempre estoy en fuego, always, so fire

Fuck these hoes, they make you suffer
Get this money, I be running from a cuffer
They obsessed with my flex, trying to trap me
I'm too focused like a Kodak on the bag, babe

I want the money, yo no quiero besos
When you cut the check, pay me in pesos
Todo lo que tengo, plata y oro
Dime algo y mira si lloro

Boy, you want my number?
I say no, I say no
If it's not about dinero I say no, I say no
They all saying I'm a winner
Yeah, I know, yeah, I know
Siempre estoy en fuego, always, so
