

Push Up

Kat Dahlia

Te gusta tomar de todas las frutas, ay, ay, ay
Tu quieres la uva en tu boca y aquí hay
Entrar en tu cabeza
Es un rompe cabeza
Tengo todas las piezas
Pa que tú te metas

Push up, push up, push up, push up, push up, push up, push up,
push up
Push up, push up, push up, push up, push up, push up, push up,
push up
Y quiero probar castigo
Me gusta cuando es contigo
Push up, push up, push up, push up, push up, push up, push up,
push up

Wish I could have you on a loop
So staring at you is all I do
You love to make it hard for me
You love to kiss my rosy cheeks

And I wanna do whatever that you want me to
The way we love so hard, sometimes it leaves a bruise
What we do so bad, might get on the news
I get so loud, I'ma wake up Zeus

Push up, push up, push up, push up, push up, push up, push up,
push up
Push up, push up, push up, push up, push up, push up, push up,
push up
Y quiero probar castigo
Me gusta cuando es contigo
Push up, push up, push up, push up, push up, push up, push up,
push up

Its amazing, amazing what you do
So amazing, amazing what you do
Feels like Christmas morning in the summer time
Apreta el Cuero al cuello I don't mind

Push up, push up, push up, push up, push up, push up, push up,
push up
Push up, push up, push up, push up, push up, push up, push up,
push up
Y quiero probar castigo
Me gusta cuando es contigo
Push up, push up, push up, push up, push up, push up, push up,
push up

Quiero probar castigo
Me gusta cuando es contigo
Quiero probar castigo
Me gusta cuando es contigo
