

# Sirens

Kat Dahlia

Wee-ooh wee-ooh wee, woo woo woo  
I hear, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
Woo woo woo

There's magic inside of my cup  
My eyes red just like firetruck  
This room's starting to look down-side up  
And I don't mind, and I don't mind

Phone blowing up, they wanna come through  
It's cool if it's you and your crew  
Them other hoes better find something else to do  
That ain't the vibe, no not tonight

It's going down like domino  
When the smoke fill up the place, can't see in front of you  
Tell the DJ run it back, loco  
Yeah, the sirens that you're hearing ain't the Five-O  
I'm that siren on the track

Wee-ooh wee-ooh wee, woo woo woo  
I hear, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
Woo woo woo

These bitches, they taking off their bra  
My Snap gon' be so lit as fuck  
We out here and we don't give up  
We outta line and I don't mind

We blowing up, they tryna come through  
It's cool if it's you and your crew  
Them other hoes better find something else to do  
It's not the vibe, no not tonight

It's going down like domino  
When the smoke fill up the place, can't see in front of you  
Tell the DJ run it back, loco  
Yeah, the sirens that you're hearing ain't the Five-O  
I'm that siren on the track

Wee-ooh wee-ooh wee, woo woo woo  
I hear, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo

Woo woo woo

Hour after hour  
Morning will come  
We ain't even done yet  
And we calling for more, more

It's going down like domino  
When the smoke fill up the place, can't see in front of you  
Tell the DJ run it back, loco  
Yeah, the sirens that you're hearing ain't the Five-O  
I'm that siren on the track

Wee-ooh wee-ooh wee, woo woo woo  
I hear, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, coming  
Wee-ooh wee-ooh wee, woo woo woo  
I hear them coming, I hear them coming  
Wee-ooh wee-ooh wee, woo woo woo  
Woo woo woo
