

Love Confusion

Kat DeLuna

Don't know how we got this far
So attached now and this gets me
Like a thief you stole my heart
And I fallen in love so unfairly
(Boy I hate that my)
World revolves around you
(And I hate my heart)
Cause it hurts without you

Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
Cause I'm hating that I love you this much boy
Confused
I'm Confused
I'm Confused

You gave me goosebumps, every time
My heart skips a beat when you touch me
I'm so mesmerized
Who told you, you could be mine?
I'm mad at you for this nice surprise
(Boy I hate that my)
World revolves around you
(And I hate my heart)
Cause it hurts without you

Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
Cause I'm hating that I love you this much boy
You see I love you,
Then I hate you,
And I hate to, cause I love you
And I need you, then I don't need you
I don't know just what to do

I think I hate you, yes I hate you
Wait, I love you, I love you
I'm really so confused,
I love you, yes I do

Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
Cause I'm hating that I love you this much boy

Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
Cause I'm hating that I love you this much boy

Why, why am I so lost in you?
And I don't even know me anymore
Why, I don't know why I'm so confused
Cause I'm hating that I love you this much boy
(Confused)

(I'm confused)
(I'm confused)

(Confused)
(I'm confused)
(I'm confused)

(Confused)
(I'm confused)
(I'm confused)
