

# All Your Love

Kat Graham

Got me in love like a criminal  
Play me like a good time rock and roll  
Rollercoaster high and low  
Got me so out of control  
Feeling like the kiss under your fingertips  
Melting like sugar when I kiss your lips  
Desperate love  
Bilingual risk  
Have to have you  
Need all of it

Give me all your loving here tonight  
Gonna make you feel alright  
Come a little closer, hit the lights  
You been waitin' for this all your life

I want your love  
I want it  
I need your love  
I need it  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want it

Give me all your love tonight  
Give me all your love tonight

Smoke you  
'Cause I need a hit  
Unwrap me like a Christmas gift  
Tangled sheets and poker chips  
Gamble everything for the love of it  
High for you like a fire lit  
Call the police and the government  
Rated X, ain't for the kids  
Give me that back, give me all of it

Give me all your loving here tonight  
Gonna make you feel alright  
Come a little closer, hit the lights  
You been waitin' for this all your life

I want your love  
I want it  
I need your love  
I need it  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want it

Give me all your love tonight

Give me all your love tonight

I want your love  
I want your lovin' here, baby  
I need your love  
I need your lovin' here, baby  
I want your love  
I want your lovin' here, baby  
I need your love  
I need your lovin' here, baby

I want your love  
I want it  
I need your love  
I need it  
I want your love  
I want your love  
I want your love  
I want your love  
I want your love  
I want it

Give me all your love tonight  
Give me all your love tonight
