

# Fool For Ya

Kat Graham

Woah Yeah

It was a long time coming when you came here to me  
year relationship but it was down on it's knees  
And he was everything that I was craving, I need  
And it didn't take much to rip my chains and be free

I had everything I wanted  
But he wasn't what I wanted it seemed  
A house on a hilltop  
Wedding dress and a diamond ring

Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love

Never met a guy that made me feel so in love  
Did everything stupid that a women does  
Had me at hello and I knew I was hooked  
Now you're back in my life, I ran as fast as I could

I had everything I wanted  
But he wasn't what I wanted it seemed  
A house on a hilltop  
Wedding dress and a diamond ring

Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love

Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love

My momma said crazy don't give it up  
My friends said Kat don't you give it up  
My ex said baby don't give us up  
But I'm a fool for ya love

My momma said crazy don't give it up  
My friends said Kat don't you give it up  
My ex said baby don't give us up  
Cause I'm a fool for ya love

I'm a fool for ya love baby  
Cause I'm a fool for ya love baby  
I'm a fool for ya love baby

Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love

Fool for ya love, I'm a fool for ya love

Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love  
Fool for ya love, I'm a fool for ya love

You make me a fool for ya
