Lover

Kat Graham

Don't matter where or how
When your head's in the clouds
Take you anywhere
No, baby, I don't care

We're talking on the phone
I'm at work while you're at home
You miss me when I'm gone
Kinda days, can't bear alone

Does it matter what we do
Just when I'm spending time with you?
Lo-lo-lover, lo-lo-lover
Does it matter what we say
As long as you're looking my way?
Lo-lo-lover, lo-lo-lover

Been waitin' all my time
When I stay on my grind
Forever's cool as I'm
As long as you are mine

We're talking on the phone
I'm at work while you're at home
You miss me when I'm gone
Kinda days, can't bear alone

Does it matter what we do
Just when I'm spending time with you?
Lo-lo-lover, lo-lo-lover
Does it matter what we say
As long as you're looking my way?
Lo-lo-lover, lo-lo-lover

We can go to the moon and back
Let's disappear
Cross the seven seas and we
Stay right here (we can stay right here)

Does it matter what we do
Just when I'm spending time with you?
Lo-lo-lover, lo-lo-lover
Does it matter what we say
As long as you're looking my way?
Lo-lo-lover, lo-lo-lover
Does it matter what we do
Just when I'm spending time with you?
Lo-lo-lover, lo-lo-lover
Does it matter what we say
As long as you're looking my way?
Lo-lo-lover, lo-lo-lover
