

Off

Kat Graham

If you wanna get it, take it off for me
Show me all the spots, that my hands can be
Don't be shy, crank up the heat
Turn it up, turn it up, let's get it on
Tell me that you need, what I got for ya
Give it to me good, wake the neighbors up
Don't be quiet, let me hear you loud
Turn it up, turn it up, let's get it on

[Chorus:]

Let's get it on get it on
Got your clothes on take 'em off
Come on baby tell me what you want
Let's get it on, get it on
Let's get it on get it on
Got your clothes on take 'em off
Come on baby tell me what you want
Let's get it on, ge-get it on
So what you wanna do (let's get it on), is what I wanna do (let
