

Oprah Rich

Kat Graham

Look at all my shit
Look look look at all my shit
I've got rings of every color
More pearls than your grandmother mother

Look at all my shit
Look look look at all my shit
I got cars they European
More art than a museum

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows
Sign my name on the dot let's go

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows
Sign my name on the dot let's go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go

I wanna be
Filthy nasty dirty rich
Filthy dirty Oprah rich
I wanna be Oprah rich
I wanna be Oprah rich
I wanna be
Filthy nasty dirty rich
Dirty rich
I wanna be
Filthy nasty dirty rich

Look at all my shit
Look look look at all my shit
I got money like the weather
Rain so hard needing umbrella
Hello
Look at all my shit
Look look look at all my shit
I got a crib for every weekend
And I never even seen them

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows
Sign my name on the dot let's go

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows

Sign my name on the dot let's go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go
Go go go

I wanna be
Filthy nasty dirty rich
Filthy dirty Oprah rich
I wanna be Oprah rich
I wanna be Oprah rich
I wanna be
Filthy nasty dirty rich
Dirty rich
I wanna be
Filthy nasty dirty rich

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows
Sign my name on the dot let's go

I love it when I see zeros
I love counting all my doughs
When my piggy bank overflows
