

# Put Your Graffiti On Me

Kat Graham

Denim jean jacket, pink chucks  
And a mini skirt  
Be your bad habit  
Throw me up against the wall first  
I take advantage of you  
You take advantage of me  
Drink up this bottle of yeah  
And paint your body on me

Cotton candy. lollipop  
Sticky like a post-it  
You don't need to drum my heart  
You already own it  
I take advantage of you  
You take advantage of me  
Drink up this bottle of yeah  
And paint your body on me

You treat me like concrete under your feet  
I'll be your callus incomplete  
Your baby doll, your ally-wall
