

# Supa Dope

Kat Graham

Yeah, I think you like it,  
Like what you see  
You can't take your eyes off of me  
Yeah, I think I'm pullin' you  
Pullin' you in  
Can't take your mind off of me

(Whoa-oah, yeah, I know you like it  
Whoa-oah, I know you like it

When they see me like flies  
They droppin'

Correct me if I'm wrong  
I thought I kinda maybe turned you on  
I'm like the leader of my band  
And you're lookin' like a stadium fan, -aww

Might push it to the limit with you  
And if I give you some of my time  
Betta blow my blow my mind

Can you  
Turn me turn me on
