

Fear You

Kat Von D

Sunday rain on my parade
Washed away
Washed me away
'Cause we've been running out of time
And fading like a satellite
Lost in outer space
We build it up to fall apart
And see the end before it starts
Ooh baby, so far from here
I'm chasing you down this trail of tears
Into your hiding place

And I, I have so many questions
I don't want the answers
You, I think I want to know you
I think I want to fear you

We prayed for sleep and though we tried
We failed to keep this lie alive
Ooh baby, so far from here
I'm chasing you down this trail of tears
Into your hiding place

And I, I have so many questions
I don't want the answers
You, I think I want to know you
I think I want to fear you
Fear you
Fear you

Sunday rain on my parade
Washed away
Washed me away

I, I have so many questions
I don't want the answers
You, I think I want to know you
I think I want to fear you
Fear you
Fear you
Fear you
Fear you
Fear you
