What you are hiding  
Put in sticky hands  
Whatever hiding  
That's a lie  
What you are hiding  
Put in your sticky hands  
Let us see  
Your cards

Some lie  
Cheat in cards and dice  
Some lie  
Get the shiners  
To shine

What you are hiding  
Put in your sticky hands  
Got one-eyed-royals  
One-eyed-jacks  
Is that collusion  
Or it's just sleight of hand  
Suicide kings are shy

Some lie  
Shuffling face cards  
Some lie  
And the shiners shine

No one knows  
What you feel  
What is fake  
What is real  
Once you throw  
The bloody dice  
On a stake  
Of bloody cards

Laughing boy  
Jack of millions of diamonds  
Stakes far away  
Deuces and treys

What you are hiding  
Put in your sticky hand  
The King of Diamonds  
With the axe  
What you are hiding  
Put in your sticky hands  
The Joker rules the land

Nobody knows  
What you're hiding inside  
Nobody knows  
What you're hiding  
Inside your head  
Nobody knows  
What you're hiding

Inside your head  
In your head
