

# Die as a King

Kataklysm

Blood is seeping through the walls  
Despair engulfs the souls  
The screams are frozen in time  
The darkness within  
No time to repent  
Awaken the gods of fire

Awaken the gods of fire

Thy kingdom falls  
Let loose the dogs of war  
All hope is lost as my blood turns black  
I won't surrender  
I'll never yield  
In this world, I'll die  
Die as a king

I'll take your everything  
And give you nothing  
I'll push forward until my bones shatter  
The will of perseverance  
The darkness of glory  
The last stand of heroes fallen

Time is starting to fade out  
Replaced by angers will  
There's no hope in sight  
Strength embodies my soul  
There's no no time for pain  
Rise to the heavens above

To the heavens above

Thy kingdom falls  
Let loose the dogs of war  
All hope is lost as my blood turns black  
I won't surrender  
I'll never yield  
In this world, I'll die  
Die as a king

Yeah  
I'll die  
Die as a king

The castle of existence  
Through the eyes of the dead  
Is nothing more than a fiction of itself  
A mind's delusion

I'll take your everything  
And give you nothing  
I'll push forward until my bones shatter  
The will of perseverance  
The darkness of glory  
The last stand of heroes fallen
