

# Kill The Elite

Kataklysm

The end is venomous  
You should die  
The souls are treasurous  
Cast away to the other side

Will not surrender  
Obey your master  
The night of the blood  
Is all about this

The crown made of thorns  
Forever fall  
They won it all  
Put on shackles on me  
Sentenced to fail

Prepare the circle of death  
That leads to nowhere  
There's no way out of here  
There's nothing to fear  
Is not forever

Kill The Elite  
Kill The Elite  
On By One  
Dust by dust  
Kill The Elite  
Darkness fall upon us  
Kill The Elite  
We are the light of rebellion

The end will follow gray  
The end will gain control

Set me free  
Set me free

Look into my eyes  
What you see is real

Kill The Elite  
Kill The Elite  
On By One  
Dust by dust  
Kill The Elite  
Darkness fall upon us  
Kill The Elite  
We are the light of rebellion
