Katchafire

All I want to know is if you want to ride with me, vibe with me
You can look to me if you get lost up on your way
So light up a flare sound the mayday
Cause I believe that we will find a way
Have faith it won't topple and fall
Society so fickle and torn
Why are we divided by walls and so ready to war
Somewhere in the world love conquers all

Cause baby I'm addicted yeah
In every way
Cause baby I'm addicted yeah
Addicted to ya steez
Oh lord it makes we weak
Cause I'm addicted yeah
Addicted to ya steez

If you don't know already I'm all in
You got me hook line and sinker
Every little thing will fall in to place

I see the little empress enter
L.B. coming up the centre
You don't even know that you were so mean
Cause it's vital to me to get lost up in your sea
Xoxo baby
Hey no matter what your race is we go save you anyway sis
Xoxo baby with me

Cause baby I'm addicted yeah
In every way
Cause baby I'm addicted yeah
Addicted to ya steez
Oh lord it makes we weak
Cause I'm addicted yeah
Addicted to ya steez

Baby I'm addicted yeah
In every way
Cause baby I'm addicted yeah
Addicted to ya steez
Oh lord it makes we weak in the knees
Cause I'm addicted yeah
Addicted to ya steez

Oh oh oh oh
Xoxo baby
