

## Chances Are

Katchafire

Don't worry about the cost of it all  
Just sit back and believe in me  
Shall we cut the track, head straight for that door  
We'll triumph over it gallantly  
I know the owner all too very well  
You've got my word you've got my guarantee  
so. Reconsider the thought that you've just had and relax  
Because it's what we need

Take another load off your mind believe me when I say  
Everything's gonna be alright  
Because chances are  
The stars are aligned  
Here tonight  
Tonight tonight, tonight tonight  
Tonight tonight, tonight tonight

Remember that time in '99 at sweet waters with only

rua tekau tara (\$20) left in my pockets so  
we decide to get a little something something good

we've got to hurry because herbs is on  
Got no money but we need to eat  
So what do we do we buy weed instead  
And relax because it's what we need

Take another load off your mind believe me when I say  
Everything's gonna be alright.  
Because chances are  
The stars are aligned  
Here tonight  
Tonight tonight, tonight tonight  
Tonight tonight, tonight tonight  
Here tonight  
Tonight tonight, tonight tonight  
Tonight tonight, tonight tonight
