A Couple Things

Kate Bollinger

You always told me when I was wrong
I never minded it, I needed someone to tell me okay

If I mess up a couple things or if I mess up a lot of things
If I fuck up a couple things, well, what if I fuck up everythin
g?

You always told me to listen better
So I tried listening to the blues
You always took care of all my baggage
It's hard now it's somethin' I gotta do

If I mess up a couple things or if I mess up a lot of things
If I fuck up a couple things, well, what if I fuck up everythin
g?

If I mess up a couple things or if I mess up a lot of things
If I fuck up a couple things, well, what if I fuck up everythin
g?

Ah, ah, ah, ah, ah, ah
