

Look At It In The Light

Kate Bollinger

Something's not right, I don't know what
Maybe it's just my own thing, but I don't think so
Look at it in the light, it's better to know

Than to hide in misery, hiding forever
To hide in misery, suffering forever
To hide in misery, waiting forever

I know the way things change
So I try not to notice, I deny my fate
I try not to notice, it's a losing game
I try not to notice, I try not to notice

Wait for the time with everything measured
It's not a crime to seek out pleasure
Look in your eyes, you've no choice but to sever
The ties, familiar doesn't mean it's better

To hide in misery, suffering forever
To hide in misery, waiting forever

I know the way things change
So I try not to notice, I deny my fate
I try not to notice, it's a losing game
I try not to notice, I try not to notice
I try not to notice
