

## Talk About It

Kate Bollinger

Change my mind  
It's easy to do  
But change my ways  
Only works when I have to  
All the times when I do the opposite  
All the times when I do what I shouldn't  
Talk about it 'til I'm blue in the face  
Do nothing about it  
Go outside, take a walk  
Call my friends on the phone  
I stay quiet when I have too much to say  
Try not to count on it  
But I condemn the ones that make my same mistakes

Do what I ask of you  
Do what I tell you to  
Do what I ask of you  
Do what I tell you to  
When I tell you to  
When I tell you to  
(When I tell you to)
