

# The First Time Ever I Saw Your Face

Kate Ceberano

The first time ever I saw your face  
I thought the sun rose in your eyes  
The moon and the stars were the gifts you gave  
To the dark and the empty skies

The first time ever I kissed your mouth  
I felt the earth move in my hands  
Like the trembling heart of a captive bird  
That was there at my command, my love  
That was there at my command

The first time ever I lay with you  
I felt your heart beat so close to mine  
And I knew our joy would fill the earth  
And would last till the end of time, my love  
And would last till the end of time

The first time ever I saw your face  
Your face, your face  
Your face
