

# I Don't Want to Be Alone

Kate Earl

Why's it gotta be so hard?  
Why's it gotta be so hard?  
It don't matter to me if it's wrong or it's right  
I don't wanna be alone tonight

Why you gotta act so tough?  
Why you gotta act so tough?  
You can do what you want, I won't put up a fight  
I don't wanna be alone tonight

I don't wanna be alone tonight...  
Alone tonight

Why I gotta tell you once?  
Why I gotta tell you twice?  
I'm not asking for much so let's turn off the lights  
I don't wanna be alone  
I don't wanna be alone  
Alone tonight

I don't wanna be alone tonight...  
I don't wanna be alone  
I don't wanna be alone tonight...

Tonight, tonight, tonight

I don't wanna be alone  
Alone tonight
