

Stronger

Kate Earl

I've been driftin'
Sleep on floors
'Cause the bills I can't afford
But I find my own way

Had to melt my Momma's gold
But it kept me out of the cold
She would have wanted it that way
I'm getting stronger every day

Times are hungry could be worse
'Cause my baby he hits first
and its nothing I can't take
I'm getting stronger every day

What you've got is what you've got
Make a little into a lot
With a little bit of luck
We'll make something out of nothin'

I am drifting
Moving on
Don't have much more then a song
But it's better off this way
I'm getting stronger every day
And I'll find my own way
I'm getting stronger everyday

Stronger every day
Stronger every day
(Stronger)
Stonger every day
(Stronger)
Stronger every day
(Stronger)
Every day
(Stronger every day)
(Stronger every day)
(Stonger every day)
Stonger
(Stronger every day)
