

## Escape

Kate Havnevik

Are we choking underground?  
This island is about to break in two  
Earthquakes turning me over  
One hundred ways of escaping the truth  
One hundred ways of escaping the truth

Oh, oh, oh-ho oh  
Oh, oh, oh-ho

I saw a star I wanted to be mine  
How can I be silent after seeing you there?  
And how can you sleep at night?  
I haven't seen you and lately

One hundred ways of escaping the truth  
One hundred ways of escaping the truth

Oh, oh, oh-ho oh  
Oh, oh, oh-ho

The faster you drive, do you think you'll survive?  
The harder you try, the deeper you'll fall  
So leave it to me, everything's alright  
One thing you can't do is escape what you are

Oh, oh, oh-ho oh  
Oh, oh, oh-ho

One hundred ways of escaping the truth  
One hundred ways of escaping  
One hundred ways of escaping the truth  
One hundred ways of escaping  
One hundred ways of escaping the truth  
One hundred ways of escaping
