

You
You haven't got a clue
While I, I am melting before you
And all my falls [?] naivete will fail anyway
If I can't be with you
Can't you see I'm black and blue?
Can't you see I'm in love with you?
Someone will have to sanction me
If my you cannot find you
Can't you see it's killing me?
I can't be normal when I'm near you
Someone will have to sanction me
If my you cannot find your me

I'm desperate for more
So why are my feet nailed to the floor?
And my pleasantries are lies to hide the torment inside
What you don't know about me

Can't you see I'm black and blue?
Can't you see I'm in love with you?
Someone will have to sanction me
If my you cannot find you
Can't you see it's killing me?
I can't be normal when I'm near you
Someone will have to sanction me
If my you cannot find your me

Do you, do you,
(Mirror me out?)
Do you, do you
(Mirror me out?)

You
Hey, hey, hey helala
You
Absolute, I'm totally owned by you
Can't you see I'm black and blue?
Hey hey hey helala
You
Someone will have to sanction me
Perfect and true, wholly controlled by you
Controlled by you
By you
You
