

SoLo

Kate Havnevik

I know it's late but i wanted to call
No everything is fine
There's nothing wrong
Just needed to talk
I hoped you would answer this time

'Cos I'm so low
Everyone's speeding
but I'm still going slow
And I'm so low
Everyone glows
I see love affairs
Everywhere
But no-one will do
But you

If we could speak
we could have a good row.
which off course I'd win
What I mean is I'm missing you now.
This freedom is wasted on me

'Cos I'm so low
Everyone's speeding
But I'm still going slow
And I'm so low
Everyone glows
I see love affairs
Everywhere
But no-one will do
But you

'Cos I'm so low
Everyone's speeding
But I'm still going slow
And I'm so low
Everyone glows
I see love affairs
Everywhere
But no-one will do
But you
