

Tears in Rain

Kate Havnevik

And all that you wanted
All that you had
Gone in a moment
Gone out of hand

Both you and I know
That silence is gold
All I ever wanted
Was to be loved

You're smoking in shadows
Gasping for air
Kicking and shouting
Won't get us there

Both you and I know
We're losing control
All you ever wanted
Was to be loved

Now I'm starting over
All clean and fair
No medication
Will take me there

Both you and I know
This tale has been told
All we ever wanted
Was to be loved

Love and devotion
So misunderstood
Forcing and pushing
Will do no good

These salty pearls
Will never be seen
They'll hit the ground
And melt into the stream

Gone
Gone
Gone
Gone

Go with the stream

And we will go invisible
And quiet disappear
Like tears in rain

Yes, we will go
Slowly and quiet
Just disappear
Like tears in rain
