

## Brandy, Lost Dog In The City

Kate Micucci

Brandy, lost dog in the city  
I'm so glad you found me  
Wish I could take you home

Brandy, lost dog on the highway  
Glad you were goin' my way  
Hope you find a home  
'Cause I like the way you smile  
And I like the way you wag your tail  
And I like the way you sat with me  
Brandy

Brandy, I hope someday you'll be happy with a family  
Hope that's someday soon  
Somewhere someone needs a friend  
And you're the friend they need

I love you, Brandy dog
