

I Am My Own Panther Now

Kate Miller-Heidke

I am the panther
That found answers
Stood up and took my chances
Once I was down
An average clown
Working in a circus in a dirty town

Trapped in a cage
Where children would poke me with sticks
Seething with rage
Forced to do tricks, for a bunch of dicks

I bit one off and ran away

I am my, I am my, I am my own panther now
The Penrith Panther
I am my own answer
See me cruising
See me dancing like a child
The Penrith Panther
Panther in the wild

I am my, I am my, I am my own panther now
The Penrith Panther
Out on my own
See me cruising
See me dancing like a child
The Penrith Panther
Panther in the wild

Right where I wanna be
Right where I belong
Right where I wanna be
Right where I belong

Right where I wanna be
Right where I belong
Right where I wanna be
Right where I belong
