

I Want A Boyfriend With A Car

Kate Nash

I want a boyfriend that drives a car
I want a boyfriend with a car
Someone to ride me really far
Someone to ride me really far

I want a girlfriend with a place oh
I want a girlfriend with a place
Somewhere to rest my pretty face oh
Somewhere to rest my pretty face

Now I'm feeling it, now I'm feeling it, now I'm feeling it oh
Now I'm feeling it, now I'm feeling it, now I'm feeling it oh
Now I'm feeling it, now I'm feeling it, now I'm feeling it oh
Now I'm feeling it, now I'm feeling it, now I'm feeling it oh
