

Believer

Kate Ryan

Say ey oh oh
Baby say ey oh oh
Say ey oh oh
Baby say ey oh oh

When there's no more to explore, oh oh
Get me back four-on-the-floor, oh oh
Lay your faith into the beat, oh oh
Still come one, I guarantee

I will surrender, I wanna let myself go round
Let the music come inside me
Let it spin me around.
I surrender to the the beat of the drum
And the DJ's got me spinning around.

You made me a believer
I'm down on my knees
A believer
Give me what I need
And say ey oh oh
Baby say ey oh oh
You made me a believer
I'm down on my knees
A believer
Give me what I need
And say ey oh oh
Baby say ey oh oh
Made me a believe-lieve-lieve
Made me a believe-lieve-lieve
Say yea oh oh
Baby say ey oh oh

I wanna feel the energy, oh oh
Something real inside of me, oh oh
Let the speaker save my soul, oh oh
Wash away my self control

I will surrender, I wanna let myself go round
Let the music come inside me
Let it spin me around.
I surrender to the the beat of the drum
And the DJ's got me spinning around.

You made me a believer
I'm down on my knees
A believer
Give me what I need
And say ey oh oh
Baby say ey oh oh
You made me a believer
I'm down on my knees
A believer
Give me what I need
And say ey oh oh
Baby say ey oh oh
Made me a believe-lieve-lieve

Made me a believe-lieve-lieve
Say yea oh oh
Baby say ey oh oh

Say ey oh oh
Baby say ey oh oh
Say ey oh oh
Baby say ey oh oh
