

# Running Away

Kate Ryan

You said it was forever, you said it was for real

Baby what's up, has to come down,  
Everybody knows  
Keep holding on, to all that has gone,  
Every seed that's sewn  
You're hunting high, I'm seeking low,  
With all the plans we made  
I'll never let go, of all that we know,  
Never let the memories fade

I guess I thought that you could show that  
You wanted me to stay

There's no more running away,  
Don't turn your back on me  
I only want you to stay,  
For all that we could be

There's no more running away,  
You said it was forever  
I only want you to stay,  
You said it was for real

Baby what's right, right in your life,  
I don't think you know  
Maybe you let go, of all you've been told  
In the place that you call home  
Your saving grace, the look on your face,  
Says all there is to say  
But I'm holding on, to all of the love,  
The love you gave away

I guess I thought that you could show that  
You wanted me to stay

There's no more running away,  
Don't turn your back on me  
I only want you to stay,  
For all that we could be

There's no more running away,  
You said it was forever  
I only want you to stay,  
You said it was for real

There's no more running away,  
Don't turn your back on me  
I only want you to stay,  
For all that we could be

There's no more running away,  
I only want you to stay,  
You said it was for real
