I got a Porsche, cause I was gonna be a TV star
Got a divorce now I'm gonna need to get a new car
Called my friend Lisa told her I feel really stupid
Cause all I do is want more and more but I don't think I deserve it

She said don't talk like that and I asked her why
It won't do you any good and I said actually you might be right

I'm taking trips cause I can't take the stillness
Done taking shit I'm pushing all my limits
You can't tell me nothing baby you can't tell me nothing
On the run I'm having fun starting now looking out for #1

I met this guy on that app made for celebrities
We went out twice and I think he fell in love with me
People think I'm so polite if they knew what's on my mind
I wanna cross every line just wanna feel alive

I'm taking trips cause I can't take the stillness
Done taking shit I'm pushing all my limits
You can't tell me nothing baby you can't tell me nothing
On the run I'm having fun starting now looking out for #1
Looking out for #1

I feel selfish I feel free
I feel nothing I feel everything
Wanna buy a house wanna settle down
Wanna piss you off wanna leave this town
Wanna take a shot I don't wanna stop
Yeah I'm doing whatever I want

I'm taking trips cause I can't take the stillness
Done taking shit I'm pushing all my limits
You can't tell me nothing baby you can't tell me nothing
On the run I'm having fun starting now looking out for #1
Looking out for #1

(Who gave you the right to do that)
