

## Losing

Katelyn Tarver

I don't know who to blame  
Is it me, is it you?  
Showed my cards, dangerous game  
Now all we have is the truth

And I got a lot of anger  
But I don't know where to put it  
It's been making me feel bad  
Like there's something wrong I'm doing  
Now I'm pacing back and forth  
Feeling like a fucking idiot  
Do you think I like this feeling?  
Like it's all just for the thrill of it?  
And I don't wanna make excuses  
'Cause you know I put my heart in  
But believing in myself is getting so fucking exhausting  
I'm so tired of this fight  
I didn't even choose it  
If I get everything I want  
There's always something that I'm losing

I don't know who to blame  
Is it me, is it you?
