

# Somebody Else

Katelyn Tarver

Don't know what I wanna do tonight  
Sick of feeling like I'm picking fights  
I get mad at almost everything  
No, I'm not the way I used to be  
I just want someone to tell me that I'm okay  
Yeah, I want someone to tell me that I'm okay

Some peace of mind  
Is all I'm trying to find  
Tell friends I'm fine  
But I feel broken inside

I wanna be somebody else  
Somebody who's not scared as hell  
Somebody who don't second guess themselves  
Yeah, I wanna be, wanna be, wanna be like that

Never used to think about it much  
I just took it all for what it was  
Now all I do is think about  
How it's never really working out  
I just want someone to tell me that I'm okay  
Yeah, I want someone to tell me that I'm okay

Some peace of mind  
Is all I'm trying to find  
(Some peace of mind, some peace of mind)  
Tell friends I'm fine  
But I feel broken inside  
(Broken inside, broken inside)

I wanna be somebody else  
Somebody who's not scared as hell  
Somebody who don't second guess themselves  
Yeah, I wanna be, wanna be, wanna be like that  
I wanna be somebody else  
Somebody who's not scared as hell  
Somebody who don't second guess themselves  
Yeah, I wanna be, wanna be, wanna be like that

Feel the wind start to change  
Take me through the night  
Now I'm not far away  
From the brightest side

I wanna be somebody else  
Somebody who's not scared as hell  
Somebody who don't second guess themselves  
Yeah, I wanna be, wanna be, wanna be like that  
I wanna be somebody else  
Somebody who's not scared as hell  
Somebody who don't second guess themselves  
Yeah, I wanna be, wanna be, wanna be like that

Feel the wind start to change  
Take me through the night  
Now I'm not far away

From the brightest side
