

# The Only Exception

Katelyn Tarver

When I was younger I saw my daddy cry  
And curse at the wind  
He broke his own heart and I watched  
As he tried to reassemble it  
And my momma swore that she would  
Never let herself forget  
And that was the day that I promised  
I'd never sing of love if it does not exist

But darling  
You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception

Maybe I know somewhere deep in my soul  
That love never lasts  
And we've got to find other ways to make it alone  
Or keep a straight face  
And I've always lived like this  
Keeping a comfortable distance  
And up until now I had sworn to myself that I'm content  
With loneliness  
Because none of it was ever worth the risk

Well, you are the only exception  
You are the only exception  
You are the only exception  
You are the only exception

I've got a tight grip on reality but I can't  
Let go of what's in front of me here  
I know you're leaving in the morning when you wake up  
Leave me with some kind of proof it's not a dream  
Whoa

You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception  
You are the only exception

And I'm on my way to believing  
Oh, and I'm on my way to believing
