

Think

Katharine McPhee

You better think (think) think about what you're trying to do to
me
Yeah think (think, think), let your mind go, let yourself be free

Let's go back, let's go back, let's go way on way back then
I didn't even know you, you couldn't have been to much more than
ten
I ain't no psychiatrist, I ain't no doctor with degree
But it don't take too much high IQ's to see what you're doing to
me

You better think (think) think about what you're trying to do to
me
Yeah, think (think, think), let your mind go, let yourself be free

OH Freedom (freedom), freedom (freedom), freedom, ooh freedom
yeah [repeat]

Hey! Think about it
You! Think about it

There ain't nothing you could ask I could answer you but I won't
(I won't)
But I was gonna change, but I'm not, if you keep doing things I
don't
come on think (think) think about what you're trying to do to
me
Yeah, think (think, think), let your mind go, let yourself be free

people walkin round every day playin games that take me so long
tryin to get who are losin careful that you dont lose yours
think(think) think about what you're trying to do to me
you need me and I need you without each other there a'int
nothin we can't do
think about it [repeat]
think about what you are tryin to do to me to the bone for
deepness [repeat 5 times]
comon think about it Yeah
come on now come on now Yeah
Come on now
think about it
