

# Wordgamething

Kathleen Edwards

And I am done waiting  
Say what you have to say  
'Cause our time is running out  
And this whole wordgamething is lame

The winter is coming  
It's gonna be cold this year in Ontario  
And I am leaving for Japan  
I hear there is no snow in Tokyo

And I can hear the clock ticking  
Down to the countdown  
But I am a comparison  
'Cause I'm not the one who touched you first

And I feel like I've been kicked in the gut

And I am on the ground  
Had a dream about you last night  
You were in my place and I was sitting down  
And you stood behind me not saying nothing  
You just smelled my neck

God had to leave  
Not saying anything  
Wishing you could find the courage to stay  
Just once

And I am done waiting  
I am walking away  
'Cause we are both drunk  
And I swear it is almost morning
